

Product Change Notice

Overview

Alpha Data is committed to the long-term supply of products where it is viable to do so.

The Development product listed below has now been superseded by a more capable version.

Please contact sales@alpha-data.com for information.

Product(s) Affected:

Current Part Numbers	Replacement Part Numbers
ADM-VA600/DEV/PB (AD01456) – all variants	ADM-VA601/DEV/PB

Impact on Form, Fit or Function:Form:

Replacement product needs VPX chassis that can accommodate 220mm deep plug-in cards.
ADM-VA600 board size = 233 x 160mm, ADM-VA601 board size = 233 x 220mm

Function:

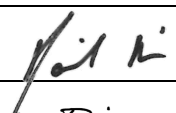

Replacement product is functionally compatible with the original, with inclusion of new Vorago microcontroller for additional functionality.

Commercial-grade core power supply has been replaced with space grade reference design.

Effective Date of Change:

Effective immediately. ADM-VA601 has been in production since Sept 2024.

Further orders for ADM-VA600 will not be accepted.
