

Overview

Alpha Data is committed to the long-term supply of products where it is viable to do so. Component obsolescence, rising costs and falling demand due to customers migrating to newer and more capable Alpha Data products mean that products with Virtex-5 "target" FPGAs have reached End of Life (EOL).

Production will be discontinued from the end of September 2021.

Product(s) Affected:

Current Part Number	New Part Number
ADC-VXS All variants	No direct replacement.

Impact on Form, Fit or Function:

Form N/A

Fit N/A

Function N/A
